**PHYSICAL PROOF SERVICE** – Your colors verified

Our physical proof service is perfect for your important projects because it allows you to see what the finished product will look like before your graphic is sent to the production department. DisplayStar cannot guarantee color accuracy or image resolution unless a printed proof is requested. Proofs are free, we only ask you to pay of the overnight shipping of \$40.00 or ship on your FedEx account. A printed proof will also add 2-3 production days to your order, call for details.
